

NORDISK FILM

Nordisk Film is the film studio in which most interior scenes of the Olsen Gang films of 1968 to 1998 were added. The exhibition replaces the previous and will be four times bigger. The new exhibition consists of new and nevertheless so well-known scenes from the movies - e.g. the bunker from Jutland, the cozy living room of Yvonne and the swanky office of the director Hallandsen. There are also more than 150 original ones in the exhibition Props and costumes from the 14 original movies - some of which have never been previously shown! As a visitor, you also get a unique insight into the origins some of the most iconic and memorable scenes of the Olsen Gang by Never previously shown "making-of" pictures, while the guides exciting Stories and anecdotes from the last 50 years with the Olsen gangs can tell!
